

# CMPSC 112

## Lecture 7: Live Coding (Listen and Do)

Dr. Aravind Mohan

Allegheny College

September 21, 2017

## Last Time

- Multiple Inheritance
- Polymorphism

Reminder: Mastery Quiz.

How about Lab 03?

- Did you complete the lab?
- If not then, what issues are you facing?

## Class Activity

- First let us watch these two videos together. (Roughly 40 minutes)
- As the video progresses, let us program along with the speaker.
- 15 minutes for resolving the erros and run the program.
- 5 minutes to review your code.
